Design and construction of the Tanyard Creek relief sewer and storm drain is urgent as it falls under the general provisions of the consent decree. We therefore wish to put the design on fast track, sending out bid documents for the sanitary sewer line and the storm drain within three months after issuance of the Notice To Proceed to the Consultant, and for the remaining works two months thereafter.

Services shall be performed in accordance with the original scope of work and the terms and conditions set forth in the contract agreement between the City of Atlanta and Delon Hampton & Associates and W. L. Jorden, Inc, and any revision(s) to the scope of work approved by the Department of Public Works.

Cost of the design services shall not exceed Eight hundred thousand Dollars (\$800,000). All services shall be charged to and paid from FAC # 2J26-524001 M 24I02239999.

Any additional work shall require written authorization from the Director of the Bureau of Purchasing and Real Estate.

We respectfully request to assist the Department of Public Works to prepare the necessary legislation as soon as possible so that the documents can be submitted to the City Council for approval.

If you need additional information, please call Heinz Brodheim at 6861.

Thank you for your assistance in this matter.

Sincerely,

David Peters, P.E.
Deputy Commissioner
Department of Public Works
